

Gregory O. Scott is a pen name for fan fiction writer HandofThrawn45. When Disney rebooted the Expanded Universe in 2014, it brought about the official end of the Star Wars Legends continuity. Yet while no new official Legends books have been released since the official end of the Legends line of books, not everyone has been willing to accept that it would seem. Since 2018, HandofThrawn45 has written a number of fan novels which are intended to close off the loose ends created in the wake of Disney's end of the Legends Continuity.
